Frank Valdez KI6OQ

I've enjoyed serving as your president the past several years.

Thanks to all of you for your continued support in making Simi Settlers the successful group that it is.

A special thanks to Diane Rehaut for hosting the Board meeting each month; to the Board members for taking time out from their busy schedules to share ideas that would make for a successful club.

Please help to keep our club going by filling one of the several vacancies available.

President  
Vice President  
Newsletter Editor  
PIO

Last but not least to thank Jim Varonica for great raffle prizes.

73, Frank

## ACS/ARES Corner

*No current information available at this time*

We are always looking for ACS members that would like to become Net Controllers.

You will receive hands on training at the Simi Valley PD (where we normally conduct the Weekly Net). It is both fun and at times challenging. You will gain valuable experience in running a controlled Net as well as becoming more than just familiar with the equipment in the Radio Room at the PD. If you would like to volunteer for this, let me know - [ke6wez@gmail.com](mailto:ke6wez@gmail.com)

If anyone is interested in how to setup your own packet station, RMS Winlink station, or a Mesh Node, let me know and we can get you started in the proper direction.

**NOTE:** Please be advised that we will now hold the Tue. countywide net at 19:30 (7:30PM) on the Sulphur Mountain WD6EBY repeater 145.200, minus 600 KHz offset, CTCSS of 127.3. Until further notice, this will be our standard frequency for countywide communications.

- Steve King KE6WEZ ([ke6wez@gmail.com](mailto:ke6wez@gmail.com))
